How to correct identical records when duplicated and displaying twice in Discovery?

Symptom

- After conducting a search in Discovery, results return two identical records with same title & same OCLC number

Applies to

- WorldCat Discovery

Resolution

To fix this issue, please contact [OCLC Support](https://help.oclc.org/Discovery_and_Reference/WorldCat_Discovery/Troubleshooting/How_to_correct_identical_records_when_duplicated_and_displaying_twice_in_Discovery) and provide the following if possible:

- The OCLC number of the record
- A link to the search in WorldCat Discovery
- A full page screenshot of the issue
