Are there any password history requirements when setting new passwords in ILLiad?

Symptom

- Are there any password history requirements when setting new passwords in ILLiad

Applies to

- ILLiad

Resolution

The only requirement is that a previous ILLiad password cannot be used. There is no other way to customize this feature. Here is more information on [Changing User Passwords](https://help.oclc.org/Resource_Sharing/ILLiad/Troubleshooting/Are_there_any_password_history_requirements_w...).
