Why am I seeing an error stating "Invoice cannot be paid because one or more items do not have a fund or title assigned" when attempting to pay an invoice?

Symptom

• When I click on the pay invoice, I receive an error that reads: "Invoice cannot be paid because one or more items do not have a fund or title assigned".

Applies to

• WorldShare Acquisitions

Resolution

This error indicates that one or more of the titles is missing a budget and/or fund. You will need to review all of the titles on the order to identify the missing information. Add the data, then click on Pay.
