What does the "Assess" and "Pending Payment" status mean?

Last updated: Mon, 18 Oct 2021 16:02:42 GMT

Applies to

- WorldShare Circulation

Answer

The **Assess** event occurs whenever a bill is created in WMS. An assessed bill can be paid, waived, cancelled, etc.

The **Pending Payment** transaction type only applies to libraries with online bill payment systems and signals that a patron has initiated a payment.
