Course description

This course provides instruction on how to use prominent interface features in WorldCat Discovery. Upon completion of this session, learners will be able to build and share resources from search results using email and record links. A review of the Staff account with the ability to store lists of resources, view MARC records, search by OCLC symbol and link to WorldShare ILL will also be presented. This module does not cover how to get started with WorldCat Discovery.

This course is for library staff members who want to understand the user interface features available in WorldCat Discovery and how to use these features most effectively.
