Delete funds

Last updated: Fri, 28 Oct 2022 14:57:54 GMT

Discover how to delete funds from your budget in WorldShare Acquisitions. You can delete funds as long as they have not been used. As soon as you place an order using a fund or pay an invoice using a fund, that fund will be impossible to delete unless it was used on a completed or completed with problems renewal list. Therefore, take great care before using the funds in a budget.

1. To delete a fund, click the ellipses button (•••) in the action column.
2. Select Delete from the drop-down list.
