Why can a patron not renew checkouts or place holds in Capira?

Symptom

• Patron is unable to renew checked out items or place holds

Applies to

• CapiraMobile
• CapiraReady

Resolution

Please contact OCLC Support with the following information:

• Patron's barcode and password
• Patron's device information (Apple or Android, model, OS version)
• Title and material type of items failing to renew or place hold on
• Any specific errors received in the app
