What is stored in knowledge base 029 and 035 fields and how can I search a unique identifier number

Last updated: Tue, 06 Apr 2021 18:27:29 GMT

Symptom

• What is stored in WorldCat knowledge base records 029 and 035 fields?

Applies to

• WorldCat Collection Manager

Resolution

Since these records are not part of the WorldCat database, they do not function in the same manner. In WorldCat knowledge base records:

• 035/a is used to retain provider-supplied (such as Elsevier) unique identifiers for central index records. These values can be searched with the prefix un:

• 029/b is used to store the OCN for central index records. Example value: 5859325289. These values can be searched with the prefix no:
