How long can COUNTER data be kept in the WMS License Manager module?

Last updated: Fri, 07 May 2021 20:45:26 GMT

Symptom

- You need to know how long SUSHI COUNTER data is kept by License Manager

Applies to

- WorldShare License Manager

Resolution

COUNTER reports harvested through License Manager are kept for 2 years from the date of the harvest by default before being deleted. However, users have the option to extend that delete date in the Harvest History section. There are instructions on how to extend that deadline.
