Do Temporary items appear in Collection Evaluation?

Last updated: Mon, 07 Jun 2021 20:15:51 GMT

Applies to

• WorldShare Collection Evaluation

Answer

Items that appear in Collection Evaluation for the Location Limit need to have an LHR and Bibliographic record. In order to look at temporary items, please see the Circulation Item Inventories Report.

Additional information

For more information see Filter using the Location limit and the Location Location (852) field.
