How do I get the Lending Fill Rate Statistics for ILLiad and not the groups I have listed?

Last updated: Thu, 05 Aug 2021 18:32:44 GMT

Symptom

- You are looking for all the ILLiad Fill Rate Statistics that do not include the groups

Applies to

- ILLiad

Resolution

To get the results of the ILLiad Fill Rate Statistics and not the groups, here is what you need to do.

1. First Select your site and then all the groups of your site.
2. Next, get the results from the site, but click on All Groups, but do not select the sites. You will have the results of all of your ILLiad Fill Rate statistics.
3. Deduct the results from #1 from #2 and you will get the results from ILLiad that will not include the groups.
