Can I edit the borrowing notes of a request

Last updated: Fri, 10 Sep 2021 20:32:10 GMT

Applies to

- ILLiad

Answer

Yes. It is possible to edit the Borrowing Notes field in the Work Form tab. Inside a request, select the OCLC tab then the work form tab. The Borrowing notes field comes from the Borrowing Constant Data Record that can be applied to every request. The Borrowing notes a patron puts in show up in in the Notes field in the ILLiad Client, but is not passed on to the Lending Library.
