Why is the "Budget / Item" name truncated on some screens?

Last updated: Fri, 15 Oct 2021 18:56:42 GMT

Applies to

- WorldShare Acquisitions

Answer

The column expands or contracts based on the size of your monitor and the size of your font. A smaller column will truncate the name of your budget. You can adjust your screen font with this keyboard shortcut:

- To zoom in: hold CTRL and press the + key
- To zoom out: hold CTRL and press the - key
