New Holdings Feeds

The following new holdings feeds have been added. This means that (with your permission) the publisher will provide updates weekly to OCLC containing your library-specific holdings data (including new and deleted titles) so that OCLC can automatically:

• register your titles in the WorldCat knowledge base
• keep your WorldCat holdings up-to-date for your related collections
• provide full-text links to ensure seamless access
• deliver customizable MARC records with ongoing updates as your subscriptions change over time
