• Document suppliers

The documentation in this section explains how to receive articles from document suppliers such as the British Library, Get It Now, and MyBib.

- British Library On Demand
- Get It Now (mediated service)
- Use MyBib eL for delivering documents

• Purchasing Requests

The Purchase option allows you to track items you may wish to purchase, instead of borrowing via interlibrary loan.

- Purchasing Requests

• Interlibrary Loan Fee Management

The Interlibrary Loan Fee Management (IFM) feature lets libraries reconcile resource-sharing charges and payments through their monthly OCLC invoice. IFM helps libraries save money on fee-based transactions and simplify the transaction process.

- Configure IFM
- Manage IFM

• Lending Requests

Create, manage and respond to lending requests.

- Complete requests
- Deflections
- Edit lending requests
- Email a copy of a request
