Symptom

- You want to use ATLAS Integrated SAML on your server

Applies to

- ILLiad

Resolution

If you want to use the ATLAS Integrated Module, here are the steps:

1. If you are self-hosted, please use the [RemoteAuth: Configuring the Integrated SAML Module](https://help.oclc.org/Resource_Sharing/ILLiad/Troubleshooting/How_do_I_use_the_ATLAS_Integrated_SAML_on...) instructions.
2. If you are hosted by OCLC, please ensure you understand the RemoteAuth: Configuring the Integrated SAML Module instructions and contact [OCLC Support](https://help.oclc.org/ContentSupport/).
