Is there a report that details WorldCat holding maintenance?

Last updated: Fri, 07 Aug 2020 12:40:37 GMT

Reports that detail MARC record output are available through Collection Manager and will come to you via email after you sign up in the WorldShare interface. Additionally, reports that detail WorldCat holding activities are available.

Report types available in Collection Manager:

- Records reports
- WorldCat holdings reports
- Cataloging partner reports
- Data sync reports

For information about the content of reports, see Understand emailed reports.
Report Types

- Records Reports
  - [x] Deleted Records
