Why is it when I press Cite This Item in FirstSearch I am redirected to WorldCat.org?

Last updated: Thu, 22 Sep 2022 16:47:37 GMT

Applies to

- FirstSearch

Resolution

In order to give users the most up-to-date citation formats, we redirect users to WorldCat.org and allow them to use the citation function there. FirstSearch does not have its own built-in citation generator.
