What user name and password can be used to sign in to the WorldCat registry?

Last updated: Tue, 11 May 2021 20:08:21 GMT

Existing WorldCat Accounts you may have with the following OCLC services are accepted by OCLC Service Configuration:

- WorldCat.org
- WorldCat registry
- OCLC Developer Network

Existing OCLC Services Accounts used to access WorldShare are accepted by OCLC Service Configuration.

- You must have a WorldShare Circulation, WorldShare ILL, or WorldCat Discovery role to access the Service Configuration. See WorldShare Admin, Roles for more information.

See Sign in to OCLC Service Configuration and Authorized Users for more information.
