  Find information about how to create and manage personal and institutional Dewey user notes.

  - Create Dewey user notes
  - View and edit Dewey user notes
  - Search Dewey user notes
  - View retrieved Dewey user notes

- **Dewey Cutter Program**
  
  No image available

  Find information about the Dewey Cutter Program, a software program that automatically provides cutter numbers from the OCLC Four-Figure Cutter Tables (Cutter Four-Figure Table and Cutter-Sanborn Four-Figure Table) upon input of text. It works with most Windows versions, and enhances your classification efficiency. It does not work with Macintosh computers.
