Sustainable Collection Services (SCS) and GreenGlass allow single libraries and library groups to explore and visualize their collection in the context of the collective collection, quickly model deselection and print management scenarios, and generate custom reports and lists to support weeding and other collection management activities.

- **Shared Print Registration Service**
  
  OCLC shared print registration service streamlines the process of registering shared print group retention commitments to operationalize the collective collection more quickly.
  
  - Register shared print retention commitments

- **SCS and GreenGlass training**

  Find training on SCS and GreenGlass
  
  - Videos

- **Weeding and deselection bibliography**

  Find an annotated bibliography of resources for weeding and deselecting materials, compiled by Sustainable Collection Services (SCS) staff.
