We are currently migrating CONTENTdm help materials to this site. If you are using or customizing your CONTENTdm Responsive Website, please see the Advanced website customization help guide below. All other CONTENTdm help resources are available in CONTENTdm Support & Training.

Connect with fellow CONTENTdm users in the OCLC Community Center. If you do not yet have an OCLC Services account for CONTENTdm Community Center access, please request one now. After you submit the web form, you will receive your new account within 4-5 business days.

- **Advanced website customization**
  
  CONTENTdm offers you several upload dialogs to add your own HTML, CSS or JS files to modify the CONTENTdm website user interface and create your own advanced interface customizations.
  
  - About advanced customizations
  - Custom pages
  - CSS customizations
  - JavaScript customizations
  - Customization cookbook
  - API Reference

- **Site management**
  
  Configure CONTENTdm domain with SSL to support HTTPS
  
  Custom domain names for your CONTENTdm site URL

- **CONTENTdm release notes and known issues**
  
  Find CONTENTdm release notes and known issues. Release notes are documents that contain information about new product features and enhancements as installed in scheduled releases.
  
  - 2018 CONTENTdm release Notes
  - 2017 CONTENTdm release notes
  - Known issues

Troubleshooting

No image available

Find frequently asked questions (FAQ) and troubleshooting steps (Troubleshooting).

- How do I customise my CONTENTdm URL?
- Is there a limit for number of Project client installations?
- I can't upload my custom PHP page
- Links to deleted content still appear in my collection
- What should I do when I'm receiving OCR license activation error(s)?
