  Find frequently asked questions (FAQ) and troubleshooting steps (Troubleshooting).

  - 9.1 RENEW BUTTON DOES NOT DISPLAY
  - After connecting to the ILLiad Server, how do I edit the Web pages?
  - After I upgraded to 9.0 on one machine, I am unable to sign into ILLiad with my username and password on a machine that is using 8.7.2.0.
  - After I upgrade my Microsoft Windows to the latest version, when I process items from Article Exchange I need the files to go to the directory I was using before the upgrade
  - After upgrading to 8.7.3.0 or 9.0.3.0, the lender is having issues sending Odyssey Documents to me for Docline Requests
  - After upgrading to ILLiad 9.0 how do I issue an IFM refund?
  - After upgrading to ILLiad 9.0, my barcode font is not printing
  - Am I able to delete the files in my Microsoft SQL Setup Bootstrap Update Cache on my ILLiad SQL Server?
  - Are cancelling invoices permanent? Are you able to bill again after a cancelled invoice on the same item?
  - Are there any changes that ILLiad needs to make when DOCLINE updates their Address on 8/12/2019
  - Are there any issues with ILLiad and EFTS move to MLA?
  - Are there any password history requirements when setting new passwords in ILLiad?
  - Are there any plans of using IFM with Reprints Desk with ILLiad?
  - Are there any Release notes for 9.1 yet?
  - Are there WebReports that pull information from both Document Delivery and Borrowing?
  - Article Exchange Addon no longer supported
  - As a Lender, can I update requests that have a Special Message?
A borrowing site is sending books and emails to the wrong contact at our site, how do we fix this?

- A patron is getting an error message that says, "Error sending password reset email" when they click the forgot password link, how can I fix this?
- A patron is getting an error that says blocked due to invalid patron type, how can they regain access?
- A queue has disappeared in my Borrowing, Lending, or Document Delivery tabs. How can I see it again?
- A staff member who was a contact for ILLiad and WorldShare is retiring, where do we need to update our contact information to reflect this?
- A user is noticing the OCLC number on a request changes after the request is sent, why is this?
- Because I am purging old authorizations from my system, how do I know which ILL authorization I am using for ILLiad?
- Borrowing conditionals status not updating properly
- Can a hidden field be added to our Include Menu web page to specify a Document Delivery process type?
- Can a patron have both ILLiad Authentication and Remote Authentication at the same time?
- Can a patron track the history of their requests?
- Can borrowers be blocked temporarily?
- Can ILLiad block a request based on a policy problem?
- Can ILLiad import TIFF or PDF files for patron delivery?
- Can ILLiad run on several computers? How do I consolidate?
- Can ILLiad run under MacBooks?
- Can ILLiad SQL server run on the same server as an IIS Web server?
- Can ILLiad user SIP2 username with a barcode as the Username?
- Can ILLiad Web Circ or Web Reports be made to accept EZproxy Remote Authentication Credentials instead of ILLiad credentials?
- Can I add a pull slip to an article without printing the pull slip first?
- Can I add a Status tag to the logon.html Web page?
- Can I customize statistics from ILLiad database information?
- Can I edit a borrowing note after I've already sent it?
- Can I edit the borrowing notes of a request
- Can I submit a request for a User with Alma without having an ILLiad Username already created?
- Can I turn off the Web login unblocked key for an ILLiad user?
- Can I use the ILLiad 9.1 Web Pages on the 9.0 Web Server?
- Can I use the TestWeb site while using Remote Authentication in ILLiad?
- Can more than one staff member use ILLiad at the same time?
- Can our librarians work from home when we are an ILLiad OCLC Hosted site?
- Can shipping and Return labels pull from anywhere besides Constant Data?
- Can statistics be output for import into Excel or Access?
- Can the ILLiad WebCirculation be set up so it can check items in that are not at the status of "Checked out to Customer?"
Can the Odyssey notifications sent to patrons on electronic delivery be configured to use different templates for different patron categories?
- Can we bypass 9.1 and go straight from 9.0.4 to 9.2?
- Can we change the footer of our ILLiad Web Pages?
- Can we have two Web Servers pointing to the same Database?
- Can we run Get It Now only through EZproxy?
- Can we run the ILLiad Addons from a different directory than within the ILLiad folder?
- Can we set up our ILLiad Print Templates to be on a shared drive?
- Can we switch to remote authentication around the time we upgrade?
- Can you explain the Borrowing Turnaround Time reports and how it works?
- Can you have two instances of the client on the same machine pointing to a different server?
- Can you make your own selection of required fields?
- Change Password does not display the correct message in 9.1
- Converting old ILLiad print templates from .doc to .docx
- Copyright Clearance Center is requiring TLS 1.2 as of March 1, 2019 for ILLiad
- DefaultAccounts Table in the Customization Manager
- Decline 3.2.4.0 Automatic Update
- Decline 3.2.4.0 Automatic Update Not Putting Files In Correct Location
- Decline Requests not Imported to ILLiad
- Does anyone use the accounts named Atlas or OCLC in Staff Manager, or can we delete them?
- Does ILLiad have a limitation where you cannot have a password with blanks before or after the password?
- Does ILLiad keep track of when user accounts are created?
- Does ILLiad require Adobe Acrobat to open PDF files?
- Does ILLiad Support ISSN searching in Primo/Alma?
- Does ILLiad support Linux SQL Servers?
- Does ILLiad Support the DMARC Process using DKIM for EMail Notifications?
- Does ILLiad Support the ISO-10161 standard?
- Does ILLiad Support Windows Server 2019?
- Does ILLiad User C++ for any of its components?
- Does our library need to provide you with updated IDM federation metadata for our hosted ILLiad install?
- Do I have to have a subscription to FirstSearch or WorldCat Discovery to be able to search OCLC with ILLiad?
- Do I have to submit copyright payment for a Book Chapter request through ILLiad?
- Do I need to be concerned with the logon or logon2 Web pages if I am using ILLiad Remote Authentication with EZproxy?
- Do I need to check an item in when it is sent through Odyssey?
- Do I need to keep anything lower than Microsoft.net Framework v. 4.0 on my Web Server anymore?
Do I need to set up separate directories for the Odyssey Send and Receive folders when I am on an ILLiad Shared Server?

- Do I need to stop the web service and back up ILLiad for an Odyssey update
- Do SharePoint paths work in Customization Manager?
- Do we need a server restart after editing custom holdings
- Do we need to save our print templates before a hosted upgrade?
- Editing Lending Web Pages
- Email Imports using Alma where the =09 show up at the end of each line of text.
- Error 27506 and -1603 while attempting to run the ILLiad server installer
- Everyone of our staff now see the default layout in ILLiad when we all had it customized previously
- Every time I open a request in Borrowing, I am getting a script error message appears
- Finding and replacing the new Docline 6.0 scripts
- FTP Timeout for hosted ILLiad site
- Hosted ILLiad sites that want SFTP
- How are upgrades handled for hosted ILLiad sites?
- How can I automatically update Docline Scripts in ILLiad?
- How can I change my logo in the ILLiad web interface?
- How can I check which version of ILLiad I am running?
- How can I clear items that appear to be "stuck" in Awaiting Electronic Delivery?
- How can I clear requests stuck in Awaiting OCLC Sending?
- How can I delete a user through ILLiad?
- How can I do a Custom Request search in ILLiad?
- How can I do a mass change Delivery Method options in ILLiad?
- How can I find out how a patron was created?
- How can I fix a problem in ILLiad where I have one computer unable to connect to Docline?
- How can I get a list of all my patrons in ILLiad?
- How can I get a report of my ILL Fees for Borrowing for ILLiad?
- How can I go directly to an Electronic Document that is at the Transaction Status of "Delivered to Web?"
- How can I move invoices from the print queue?
- How can I see an error log in ILLiad?
- How can I see in ILLiad the items that show up in WorldShare ILL as In Transit?
- How can I set up an ILLiad billing default for institutions for varying amounts?
- How can I set up a DLL log for the Web Pages so I can troubleshoot the Web interface issues?
- How can I set up a Group of ILLiad lenders that lend for free?
- How can I shut down my library so no one can Borrow or Lend from us in ILLiad?
- How can I test changes I made in the TestWeb folder when I am using EZproxy with ILLiad?
- How can our library make the Lending Web pages secure from libraries that are not yet approved?
- How can our patrons cancel requests that have already been processed?
- How can someone register with ILLiad Authentication when we are using RemoteAuth Authentication?
- How can we change our contact information for ILLiad upgrades?
- How does Article Exchange work in ILLiad?
- How does AutoClearPreRegisteredUsers work with new patrons authenticated through any other way than ILLiad Authentication?
- How does automatic user creation work in ILLiad?
- How does Delivery Method Per Item work in ILLiad for Loans?
- How does Email Routing work in ILLiad?
- How does ILLiad build statistics reports?
- How does ILLiad Copyright Clearance Work?
- How does ILLiad Exclusive work with the password when it is used to Validate users and upgrading to 9.0?
- How does the "Logon As User" button work in ILLiad?
- How does the ATLAS Authentication Portal work with ILLiad?
- How does the DaysBeforeElectronicDeliveryCleanup work?
- How does the Docline AutoUpdate feature work in ILLiad 9.1.2?
- How does the Patron Load work with ILLiad?
- How does the Status Tag work in ILLiad?
- How does the UserValidation table work in ILLiad?
- How does the WebValidation table work in ILLiad because I am getting an error message when trying to register?
- How does Z39.50 work?
- How do Authorized Users work with ILLiad?
- How do I access the WebReports from within the ILLiad Client?
- How do I add and remove Delivery Locations in ILLiad?
- How do I add a Default Account in the ILLiad DefaultAccounts table in the Customization Manager?
- How do I add a group in the Group Maintenance for ILLiad?
- How do I add a key for the AddonLocations?
- How do I add a request manually for a patron in the ILLiad Client?
- How do I add lender addresses to Rapid requests?
- How do I add or edit information in the WorkformMapping table in Customization Manager?
- How do I add or remove a flag in ILLiad?
- How do I add or remove Custom Holdings Groups in ILLiad?
- How do I add tags to my Email Import?
- How do I add the Default Note to my cancellation notices in ILLiad?
- How do I apply a different Constant Data record to a borrowing request in ILLiad so that the correct information is applied to the request?
How do I break out the date so the Photo Journal Date shows Year and Month separately in an ILLiad incoming request from a patron?

How do I build an OpenURL link from PubMed into ILLiad?

How do I change an ILLiad Lending Library Password that is coming through the Lending Web Pages?

How do I change a User Password in ILLiad when I am using ILLiad Authentication?

How do I change the Logout URL that ILLiad goes to when a patron logs out of the system?

- In ILLiad, how do I change my Lender Address table so the Lender strings are all Uppercase?
- In ILLiad, how do I fix it when I am getting a failed notification for articles with long titles?
- In ILLiad, How do I print a Lending invoice for a lost book in the Billing Manager?
- In ILLiad, how do I request a WSKey?
- In ILLiad, how do I set up a routing rule so that Rapid Requests do not go to Awaiting Copyright Clearance?
- In ILLiad, is there a way to add in additional queues that we can mark items "In Transit" and "Check Out" in WebCirc?
- In ILLiad, is there a way to delete a patron's request history while keeping stats and collection data?
- In ILLiad, I am processing a borrowing request and the Due Date is changing to 1/1/1900
- In ILLiad I am searching for the TN number under ALL and it works, but it does not work when I use the TN option
In ILLiad I am seeing my emails sitting in pending and they are not going out, how do I fix this?

In ILLiad, I am trying to Renew a Borrowing request and nothing is happening.

In ILLiad, I first sent out a request with Rapid and then sent it out to OCLC, but I cannot update the OCLC request to received.

In ILLiad, my patrons are not getting notifications.

In ILLiad, my screen display looks wrong.

In ILLiad, no requests are coming in for lending can you fix it?

In ILLiad, what does Awaiting Odyssey Sending queue mean?

In ILLiad, whenever I click on a Transaction Queue like In Stacks Searching or Awaiting Lending Scanning, I never see the requests and I want to know how to see the requests?

In ILLiad when I try to send an electronic article, it gives me an error and I cannot send the file.

In ILLiad, when we try go to go the PDF file directly, we are getting an Authentication error message.

In the Billing Manager, I am not seeing any EFTS to generate a file.

In the ILLiad 9.1 Web pages in the ViewDefaultDetailed.html page it is correct, but the popup when you mouse over the status showing in the ILLiad MainMenu page, it shows a time that is different than what is in the Tracking table.

In the ILLiad Client, why do some requests occasionally show up with no loan information?

In the ILLiad Lending Transaction Queues, what is "Web Request Created?"

In which table is the information from the Imported Request tab pulling from in the ILLiad SQL Server?

Is ILLiad able to edit PDFs?

Is ILLiad Compatible with TLS 1.3?

Is it okay if I set up a Custom queue for Items Recalled from Customer, or will this cause issues?

Is it possible for a user who has been disavowed in ILLiad to still send requests?

Is it possible to add a separate agreement to polices form before or after patrons get to the request stage online?

Is it possible to configure our OCLC hosted ILLiad server to write debug logs to a sub-folder?

Is it possible to get ILLiad statistics by Department and User Status?

Is it possible to get separate SFTP credentials for testweb?

Is it possible to point the SQL Alias Manager to two separate ILLiad Databases?

Is it possible to use a SAML connection to authenticate users into their ILLiad accounts without the use of EZproxy?

Is it possible to use multiple scanners and import PDFs directly into the lending queue?

Is my IP address range covered for my ILLiad hosted site?

Is there anything OCLC can do about Lenders holdings for Electronic articles that are missing?

Is there anything we need to do after adding an ILLiad Server Addon into the Customization Manager?

Is there any online training for ILLiad?

Is there an ILLiad Cheat sheet that I can print up?

Is there an ILLiad client for Mac users?
Is there a "last day" OCLC will provide support for incremental updates, for example 9.0.3?

- Is there a complete list of Customization Keys in Customization Manager?
- Is there a list of Default ILLiad Transaction Statuses that a patron sees on the Web?
- Is there a list of Libraries that have a safe return of physical items?
- Is there a place where I can make edits to the Web pages so I can see what they look like before they show up in production?
- Is there a way I can restrict access to ILLiad WebCirc or WebReports by IP address?
- Is there a way that I can send out only the Borrowing and Lending First Overdue Notice and not any others?
- Is there a way that I can set it up so that when patrons register that information from our system can be loaded on the Registration form?
- Is there a way to automate the Awaiting Request Processing queue to route to a sharing group after clicking the "No Problem" button?
- Is there a way to block expired users from submitting requests?
- Is there a way to change the default internet browser ILLiad opens links in within the Client or Customization Manager?
- Is there a way to change the document type for loan requests?
- Is there a way to edit a request that is not in the status of Request Sent?
- Is there a way to edit the template that is generated from the ILLiad Billing Manager when running the Overdue Letter reports?
- Is there a way to fix a request when I accidentally processed an ILLiad Borrowing request as Doc Del?
- Is there a way to get a copy of an email that is being sent in ILLiad to a patron so we know that the email was sent?
- Is there a way to implement pop-ups to show up on certain borrowing requests that require special handling in ILLiad?
- Is there a way to limit borrowing requests to Library Use Only?
- Is there a way to limit the number of Lenders that show up in the ILLiad Workform to be less than 15?
- Is there a way to make sure my electronic articles deliver?
- Is there a way to prevent article and loan information from accidentally populating for each other?
- Is there a way to process renewals automatically while remote working in ILLiad?
- Is there a way to reroute the article sent to the library's email, so you can process it through the ILLiad Client?
- Is there a way to set location for scanning process type?
- Is there a way to stop users from requesting items until they are cleared?
- Is there a way we can access the Copyright Clearance Center other than through ILLiad?
- Is the Patron information sent over to Lenders?
- It has been six months since I upgraded to ILLiad 9.0 and when I sign into ILLiad, I am being asked to change my password
- It is the end of the calendar year and I am trying to say yes to a renewal request and the Connection Manager is giving me an error message
- I accidentally copied the OCLC number over the ILL number in a request, how can I track it?
I accidentally downloaded the latest version of ILLiad but then uninstalled it. After installing the correct version, the client does not open.

I added a Delivery location and now when I get to the Workform, I get an error message.

I added some email templates in the Customization Manager, but they are not showing up in the ILLiad Client.

I am adding a new location in ILLiad, how do I update this information to Lenders?

I am an ILLiad Hosted site and I need help on how we can fix it when we have many patrons who have a blank entry for the Loan Delivery Method?

I am an ILLiad Hosted site trying to FTP to the server and unable to connect with the correct information using Filezilla.

I am an ILLiad site and my Lenders say my email address is missing when I send out requests.

I am a Borrowing Library and I am getting an error message when I try to check in an item from the Lender.

I am borrowing from DOCLINE and some ILLiad sites are not sending me emails with the Article Exchange link.

I am getting an error about the Images path and I cannot open up the ILLiad Customization Manager.

- I am searching Usernames in ILLiad from the home screen and I am getting no results
- I am seeing a new status in ILLiad in the OCLC status field that says supplied
- I am seeing a special message and I am not sure what it means?
I am sending out emails and getting a security certificate error
I am setting up my printer settings in ILLiad, but every day I have to put them in again
I am trying to complete a request, but it will not allow me to do this because the OCLC status is Received - Overdue
I am trying to customize my layout in the ILLiad Client, but I do not see the field I want when I go to the Hidden Items tab
I am trying to get into my OCLC Resource Sharing Settings in ILLiad 9.0, and I am getting an error message
I am trying to get into Web Circulation and I am getting an error message
I am trying to print a document in ILLiad and I am getting a message that the file cannot be found
I am trying to print in ILLiad, but the information never updates to the current data
I am trying to print in the ILLiad Billing Manager service, but the data file is not changing, so I see old data
I am trying to process electronic delivery files in ILLiad, but the Process Files icon is grayed out
I am trying to process Odyssey Requests and I get a message about Entity too large
I am trying to put files on the ILLiad Hosted server, but it will not allow me to overwrite the files
I am trying to run the Server Installation file, but I am getting an error message about the IIS Root folder
I am trying to save an ILLiad WeReport as a PDF, and I need it to line up correctly
I am trying to send a lending request, but it is not updating from considering
I am trying to submit my copyright in ILLiad, but I am getting an error message
I am unable in ILLiad to send an article through Article Exchange
I am unable to change delivery pickup locations on my web pages, how can I change this?
I am unable to connect to Docline within ILLiad, how can this be resolved?
I am unable to download PDFs to a mapped drive while working from home. What could cause this?
I am unable to process a file and send it to the Web Server either through Borrowing Scanning or Doc Del Scanning
I am unable to see all the Transaction Statuses in ILLiad under Borrowing, Doc Del, or Lending
I am unable to see any shared drives while using ILLiad, but other computers can
I am unable to send out through Article Exchange and when I look at the ILLiad WebPlatform Log it says access denied for the c:\Windows\Temp\ILLiad and some subfolder
I am updating my GAC table in the Customization Manager and I am getting a message about it updating all the sites on my shared site, is that okay?
I am updating my Registration page and removing some Departments from the list, will this cause a problem with the users that have those departments in their user record?
I am using Alma, NCIP and I need help in how to use the ItemInfo3 field
I am using a BookScan Scanner with ILLiad and I need the Username and Password it is requesting
I am using a database that sends an OpenURL link to ILLiad, but the wrong form is opening
I am using ILLiad 8.7.2.0 and getting error messages every time I open up Lending Article Request
I am using ILLiad 9.1 or higher and I need to set the ISO log for Debug, how do I do that?
I am using ILLiad on a Windows 10 machine and I am getting LUA script errors showing up in the ILLiad Client when I try to Process DOCLINE requests
I am using the ILLiad 9.1 Web pages and when I use the Forgot Password on the logon page, I do not get a confirmation message.

I am working from home and today ILLiad is slow responding.

I am working remotely with ILLiad and I am able to connect, but I am getting a slow response time.

I billed an institution for IFM and it is not showing up on our IFM Monthly report.

I canceled my request in ILLiad, but it is not showing as canceled on OCLC.

I cannot check in an item from a Borrowing Library that has been returned in ILLiad?

I cannot find an invoice in the Billing Manager for my patron who I billed.

I cannot see any entries in the Events Log in the ILLiad Client.

I cannot see the Transaction Number when I click on a queue, how do I find it?

I can get into the ILLiad Client, but I cannot get into any of the other services such as the Customization Manager.

I cannot open an Addon file directly from the Addon page.

I changed our borrowing/lending renewal dates, but the new date is not applying?

I changed the password for my patron in the patron record in ILLiad, but the password does not work?

I checked an item in from the Lending Library, and when I print receives nothing prints.

I closed a request in ILLiad, but the OCLC Status still shows supplied.

I created a Borrowing Routing rule that goes to a CustomQueue and when I try to request from OCLC, I am unable to put in the Lending symbols.

I created a scheduled closure in ILL Policies, but my request keep on disappearing when I come back.

I downloaded the DOCLINE Scripts for 3.2.0.0, and the PatronName is blank and the AuthorizedBy field is incorrect.

I do not see the Reason why my Direct Request (Automated Request Manager) failed to go out because there is nothing showing in my notes field.

I forgot my SA Password for ILLiad, how can I update the password so I know what the password is?

I forgot to bill for a Lending request and it did not show up in the Billing Manager, how do I fix this?

I have a user in ILLiad who is not able to complete registration using Remote Authentication and the UserValidation table

- I have Borrowing requests stuck at Awaiting Direct Request Sending, how do I fix this?
- I have forgotten my password for the ILLiad client. How can I regain access?
- I have lost my refresh button in ILLiad
- I have lost Transaction queues like Awaiting Request Processing in the ILLiad Client, how do I get them back?
- I have Outgoing notifications showing in "Pending" status and they will not go out
- I have requests sitting in Awaiting Odyssey Processing in ILLiad and they are not moving out of that queue
- I have two users and I need to merge them, how do I do this process?
- I just added a new Website for a Delivery Location, but I am getting Error messages about the DLL when I sign in
- I just installed ILLiad and I need to know what I put in the ATLAS SQL Alias Manager for the Server and Database Name?
- I just installed ILLiad on a new computer, what settings or permissions should I have on my computer?
- I just installed the ILLiad client, but the ILLiad Customization Manager will not open
- I just installed WorldCat Local Addon and I am getting an error when I open up a request
- I just moved my ILLiad server and now emails are not going out
- I just upgraded and when I try to sign into my Web Page, I am getting a message about the resource has moved or not available
- I just upgraded to a new version of ILLiad on my Web Server and now I am getting an Internal Server Error when trying to deliver through Article Exchange
- I moved my install directory from the c-drive to the e-drive and after I ran an update and some of my services are not starting
- I'm getting an error when I try to print in ILLiad, why is this?
- I need help with an ILLiad Addon
- I need help with ILLiad WebPlatform API
- I need the Username and password for the Server Installer
- I need to add the Country field in the ILLiad Registration and ChangeUserInformation pages, how do I do this?
- I need to change the Lending and Borrowing Due Dates for ILLiad, how do I do this?
- I need to have the patrons update all the patrons accounts to our email domain, what is the best way to do it?
- I need to install ILLiad on a new computer where do I get the file
- I need to install the ISO Manager because it is missing in my services
- I need to know the number of requests that a patron submitted by using the request form and enter the information manually and all other requests in ILLiad
- I need to know the process for using the Institutional login with Docline with ILLiad
- I need to manage the Addons, but I am unable to see the icon in the ILLiad Client
- I need to understand the difference between Odyssey, Borrowing, and Doc Del in ILLiad
I need to upgrade my ILLiad SQL Server to a newer version, how do I do that?

I noticed a typo in a request that appeared in the Copyright Clearance queue in ILLiad. I'm worried it will affect reporting. Is there a way to correct it?

I noticed several old files in Test Web aren't carried over when we upgrade, is it safe to delete the files 9.1 doesn't use?

I noticed there is "IFM Charges" report in the ILLiad Reports, under Lending. Is there one under Borrowing?

I only want users to use their campus domain emails. Is there a way I can block my patrons from using their personal emails?

I received a canceled book request, and I need to return it without contacting the customer

I received a document that I cannot process in Electronic Delivery for ILLiad

I returned item and yet my patrons still get overdue notices in ILLiad

I said Yes to a Borrowing renewal, but they are not updating OCLC, what do I need to do?

I see a request that is being shown the OCLC Status as supplied, but I never received the item

I see a request where the Send Via Odyssey button is grayed out, why is that?

I sent a request out through Rapid and now trying to send the request out through OCLC, but I cannot see any holdings

I set up a validation string for my Registration formname for WebValidation, but my RemoteAuth Authentication is allowing everything through

I set up the link for RSS feeds on the Borrowing ILLiad Web page, but it is not working in Google Chrome and Firefox

I updated ILLiad to a newer version, but the Customization Manager is getting an error message when I try to open it

I upgraded my Hosted ILLiad Server and my Microsoft Access scripts are not working

I upgraded my ILLiad server and now when I try to sign in to ILLiad, I get an error message saying that the file is missing

I used Microsoft Word to edit my routing rule before copying my routing rule over to ILLiad Customization Manager and the rule is not working

I used to see a pop-up window when printing asking me if I want to print or cancel, but I cannot see it anymore?

I want a list of all my patrons, how do I get them

I want a WebReport of the number of Borrowing requests that have been closed in ILLiad over a period of time?

I want to add a hidden field on the ILLiad Registration form so that everyone has Electronic Delivery is "Yes." how do I do that?

I want to delete patrons using the ILLiad Database Manager, but my query gets no results

I want to get a custom report within ILLiad, how can I do this?

I want to imbed a link to ILLiad on a page, what URL do I use?

I want to know how to copy your ILLiad Client Layout to all the other Librarians's clients

I want to set up a Custom Holdings Group for LVIS in ILLiad, but I can only get so many symbols over because there are too many symbols.
I want to set up a new group in ILLiad and I want to make it so none of the borrowing libraries are billed
I want to set up a redirect on my ILLiad Logon.html page so that my patrons go to our EZproxy sign-in page and then forward to ILLiad
I want to test my ILLiad Web Validation syntax, where is a good place to go to do this?
I was asked to upgrade the ILLiad Client today and I am getting an error 1625 that stops the upgrade
I would like to know the Cost and Benefits of being Hosted by ILLiad?
I would like to know who I contact to get a demonstration for ILLiad?
I would like to request that an IP range be opened up for ILLiad client access at one of our new sites?
Java script error trying to login to Docline
The libraries.oclc.org shows we are not lending or accepting returns how can we update our status on this page
Migrated a SQL server 2008 R2 on an infrastructure of 2016 and the Webplatform stopped working
My Bookeye scanner upgraded and now it is needs a password, where do I get that information
My emails are getting an error message about Relay and not going out on my OCLC ILLiad Hosted site
My ILLiad Column Headers are not displaying correctly
My ILLiad Odyssey Manager is having issues processing requests on my new server and TLS 1.0 is enabled
My ILLiad server IP address is changing and I want to know where I need to update my IP address for the Odyssey IP address
My password to log into the ILLiad Client is correct, but when I try to enter it, I get a message saying the password is incorrect. Why does this occur?
My patrons are getting a message about being Locked out about too many login attempts, how can I fix this?
My patrons are requested to change their password the first time they sign into ILLiad after I upgraded to ILLiad 9.0 and I am using ILLiad Authentication
My patron is getting an error message about PDF not found
My patron is trying to view electronically delivered articles and they are seeing "File not found" where they usually see "View."
My patron received an ILLiad email that the Electronic Article is ready, but when the patron gets to Electronic Articles, the file is not there
My Rapid Manager service is not sending or receiving
My Overdue notices are not going out
New Procedure for updating ISO in ILLiad 9.1
None of my emails are going out and I see in the email note that it says Connection Failed, how do I fix this?
None of my Flags or Notes are showing up on my Lenders Page in my ILLiad Client
None of my ILLiad Services are running and my SQL Server is on a different server
None of our patrons are able to sign in with ILLiad Web pages with LDAP today
Now that the National Library of Medicine is no longer supporting Loansome Doc, what options do we have?
On our ILLiad Hosted site, why is the time stamp of requests coming from the ILLiad Web Pages showing for the Eastern Time zone United States rather than our time zone?

- Our email system requires SSL, how can we make our ILLiad emails secure?
- Our ILLiad Client keeps on crashing all day, can we have the ILLiad Server restarted?
- Our ILLiad Email links are showing a non-secure http address and we need them to show https because we are a secure site
- Our library has a standard system ID for all of our users, however users keep forgetting to use them or use them incorrectly. Can library staff change usernames in ILLiad to grant everyone access?
- Our RemoteAuthValidation table is correct after upgrading to ILLiad 9.1, but we still can't access our web pages
- What changes do we need to make following our upgrade to ILLiad 9.0?
- Patrons are being kicked out of ILLiad when submitting requests after EZproxy Authentication

- Rapid IP / DNS change for RapidX
- Requests submitted and not importing into ILLiad while the ILLiad server was down running Windows patches
- Setting up Remote Authentication in ILLiad 9.1
- Since we updated to ILLiad 9 we have not been able to use Undo shipping feature on any of our requests?
- Steps needed to block (deflect) loan request and only process electronic items
- There are items stuck in Awaiting Direct Request Sending
- The borrowing location does not have my correct address in their ILLiad Client for my Lender address
- The constant data in our workform is not adding an email address, how can I fix this?
- The ILLiad PDF Viewer Addon is not pointing to the PDF folder, how do I fix this issue?
- The import folder shows an error when trying to SFTP for a Patron Load
- The request window only opens in a minimized tab along the toolbar, why is this occurring?
- The Transaction Date format is incorrect in the ILLiad Client
- Troubleshooting connectivity issues for ILLiad OCLC Hosted sites
- Unable to change password for lender in ILLiad Client on a shared server site.
- Unable to login to Decline in ILLiad
- Unable to Open a PDF in the ILLiad Client
- Unable to send articles through the Bookeye Scanner
- Unique ID for installing ILLiad on a new Server
- Web Alerts not working in 9.1 ILLiad Web pages
- We already use FirstSearch. Can we continue using it?
- We are an ILLiad Hosted site and OCLC hosts our email sever and all our email notifications are going into our Junk Email folder
- We are an ILLiad Hosted site and we made a change in our Customization Manager for an email setting, do we need to contact OCLC to do anything?
- We are an ILLiad self-hosted site and our patrons are getting emails that we do not see on our server as going out
We are an ILLiad Self-Hosted site and we would like to know about creating a backup server
- We are an ILLiad hosted site and we added or modified a Server Addon, what do we need to do now?
- We are a hosted ILLiad site and our IP address is changing for our Network, do we need to update OCLC with our new IP address range?
- We are a Hosted ILLiad site and we cannot FTP or SMTP with the server
- We are a hosted site. Do we need to manually download the ILLiad upgrade?
- We are a hosted site and we want to know what we need to do to switch from ILLiad Authentication to CAS Single sign on?
- We are a hosted site. Do we have to do the manual update for 9.1?
- We are a RemoteAuth ILLiad library seeing duplicate requests, how can we fix this?
- We are a shared ILLiad site, why is one of our sites not receiving any Rapid requests?
- We are a shared server on ILLiad 9.1 getting an error message in your Rapid log regarding the RapidPrimaryLendingDownload Customization key
- We are migrating our Database and want to know what kind of support we will get from OCLC?
- We are on an ILLiad Shared server and we are having troubles with one of our sites after we made edits to that directory on the Web Server
- We are unable to access the QueryAdditions.xml file on a shared drive for ILLiad
- We are updating our domain and we need to know what we need to do in ILLiad
- We are upgrading our server to the latest version, and we want to know what kind of support we will get?
- We are using ISO ILL with ILLiad and when we try to start the service, it turns back off
- We billed a site through EFTS and DOCLINE and need to remove the bill before the end of the month
- We borrowed a book and had to pay for it and now we want to know how to process the request in ILLiad?
- We cannot send or receive ILLiad Odyssey documents
- We can't connect to ILLiad or WorldShare ILL, is ILLiad down?
- We have an ILLiad Server Addon that we specify the date and times the addon should run, and it is hit and miss when it will run
- We have an ILLiad Server and we are running the ILLiad Updater, but it is showing we have the latest updates when we do not have them
- We have a patron who says he is not receiving an email that we see in the ILLiad Email History that it shows the email successfully sent, what do we do next to troubleshoot the issue?
- We have not received any new lending requests in ILLiad today
- We just updated our Shared Server and when we try to print in ILLiad, we are not seeing the correct information in our print templates
- We just upgraded and some of our services are not starting after the upgrade
- We migrated our server to an ILLiad Test server which is now production and when we go to the logon.html page, it is pointing back to the old server
- We need our ILLiad Services Disabled on the Hosted Server
- We need to disable ILLiad Odyssey, how do we do this?
- We need to restart our server because we haven’t received new requests in a few hours and there are many new ones in Worldcat Resource Sharing that haven’t pulled in
- We received an email that our SQL Server is moving to a new Address, what should we do to be ready?
- We received an ILLiad Book Chapter Article request as a book and loan, how do I fix it so the correct Word Document shows up?
- We upgraded from 8.7.0.0 to 9.0.3.0 and when we open up the ILLiad Client, we are getting an error and cannot upgrade our ILLiad Client.
- We upgraded to 9.1 and when a patron signs in for the first time, the patron sees a bunch of error messages on the registration form.
- We use LDAP authentication and we have one user who is unable to logon.
- We want everyone to login to ILLiad with their LDAP passwords. How can we stop password reset notifications being sent to new users?
- We want to change the Required ID field associated with Registration so it requires nine or fourteen numbers.
- We want to delete our Disavowed Users and also keep all their transaction information in ILLiad.
- What are my options if I want to use Interlibrary Loan, but I am not going to use ILLiad?
- What are some basic ILLiad Server Addons troubleshooting I can do?
- What are some general ILLiad Webplatform troubleshooting I can do?
- What are the Default ILLiad email templates used for Notifications?
