What are the system requirements for viewing a YouTube video?

Last updated: Tue, 28 Jul 2020 18:58:45 GMT

In order to watch YouTube videos, please make sure you have the following:

- Most recent version of Google Chrome, Firefox, Internet Explorer, Safari, or Opera
- Internet connection with 500+ Kbps
- If you have an older browser or operating system, you will need the most recent version of Adobe Flash Player.
- For additional information, check YouTube help.
