A Hosted EZproxy Include File is available for this resource. Hosted EZproxy customers will receive automatic updates with OCLC’s latest version of this stanza. Note: Hosted EZproxy customers in the Americas using self-service may reference the Include File by adding the following line to config.txt:

```plaintext
IncludeFile databases/proquest.txt
```

This stanza was provided by the publisher and has not been tested by OCLC. If it’s not working properly, please contact OCLC Support.
