A Hosted EZproxy Include File is available for this resource. Hosted EZproxy customers will receive automatic updates

https://help.oclc.org/Library_Management/EZproxy/Database_stanzas/Gale_InfoTrac
Printed: Fri, 20 Mar 2020 02:15:34 GMT
with OCLC’s latest version of this stanza. Note: Hosted EZproxy customers in the Americas using self-service may reference the Include File by adding the following line to config.txt:

```
IncludeFile databases/gale.txt
```

**Receiving "logged out" message when trying to access content**

If you use EZproxy Proxy by Port and you receive a message about being logged out when you try to access content, please contact Cengage technical support and let them know that you are using EZproxy. They will then adjust a setting on your account to correct this issue.
