In these configurations, replace yourusername with your institution's username and yourpassword with your institution's password. The starting point URLs for these database stanzas will look like:

https://help.oclc.org/Library_Management/EZproxy/Database_stanzas/Canadian_Pharmacists_Association
replacing `ezproxy.yourlib.org:2048` with the name and port of your own EZproxy server.

Additional information appears at [https://www.pharmacists.ca/function/et/eFaqs.cfm#30](https://www.pharmacists.ca/function/et/eFaqs.cfm#30).
