This page provides a listing of the recently updated database stanzas maintained by OCLC to provide access to specific e-resources.

For an introduction to database stanzas, please see Config.txt directives.

Subscribe to RSS updates - You have the option to subscribe to a RSS feed to receive notification when database stanzas are updates.

Are you a database provider? See EZproxy for content providers for information on how to add or update database stanzas.

Database stanzas (most recent)

Database stanzas are also available sorted in alphabetical order.

Recently updated database stanzas (previous three months)
