This page provides a listing of the recently updated database stanzas maintained by OCLC to provide access to specific e-resources.

For an introduction to database stanzas, please see Config.txt directives.

Subscribe to RSS updates - You have the option to subscribe to a RSS feed to receive notification when database stanzas are updates.

Are you a database provider? See EZproxy for content providers for information on how to add or update database stanzas.

Database stanzas (most recent)

Database stanzas are also available sorted in alphabetical order.
